SPOTLIGHT SHOW AT BRIGHT HILL

One of the highlights of the Stagecoach Run Art Festival is the Spotlight Show,—this year from July 3-24. Artists are strongly encouraged to showcase one piece of art that exemplifies their style so that visitors can plan their routes or even buy off the wall.

As always, Bright Hill retains 30% of any sale that occurs during the show, so please price work accordingly.

Participation details and instructions to follow.

LIVE DEMONSTRATIONS

We highly encourage artists to conduct demonstrations of their methods when possible. Not only is it a valuable communication tool, but demos are guaranteed traffic builders that are individually listed in the events section of the brochure.

Include brief details in your application.
