

# THE 26TH ANNUAL STAGECOACH RUN ART FESTIVAL

SATURDAY & SUNDAY  
JULY 6 & 7, 2024  
TREADWELL & FRANKLIN, NY

Spring is on its way and that means the Stagecoach Run Art Festival isn't far behind! We hope you got to experience what turned out to be a glorious return for the event last July. Fifty-five participating artists saw near-record attendance over the weekend and we're determined to top that success in 2024.

Founded in 1996, the Stagecoach Run Art Festival has remained an entirely free-to-the-public open studio tour that offers visitors of all ages the opportunity to interact with and learn from local artists, writers, designers, and musicians in a meaningful way.

But Stagecoach cannot happen without support from its community! Donations play a critical role and allow the small staff of volunteer organizers to do all that's needed to make this event a success. Literally every dollar raised helps publish maps, print neighborhood signs, and advertise across the region.

If you've donated in the past, know that you have our deepest gratitude. We literally could not have done it without you and hope you'll consider contributing again. AND if you're new to the area or to "Stagecoach," please consider helping to make this year's event a reality.

The deadline for inclusion in our printed materials is April 17, 2024. Donations can be made by check (with this form filled out) or by visiting us online at [StagecoachRun.com/Support](https://StagecoachRun.com/Support).

And, of course, even if a financial contribution isn't possible, we all look forward to seeing you at this year's Stagecoach Run Art Festival!

## ***Yes! I'd like to support the Stagecoach Run Art Festival as a:***

Supporter: \$25    Sponsor: \$50    Friend: \$100    Patron: \$200+   \$ \_\_\_\_\_

Please provide information as it should be seen on our maps, website and social media. If you'd like a donation to be listed anonymously, check the box at right.
